

August 2022

*Please hold the following in your prayers this month.*

1. Our four-week summer programme has now started with arts and crafts, music, cooking, trips away and decorating, all planned to keep young people busy during the summer holidays. Please pray for a safe and enjoyable programme for all who attend.
2. The youth work team will be meeting at the beginning of this month to finalise the term programme starting in September. Please pray for us as we assess what worked well last term and what changes we need to make to ensure we continue to deliver a relevant programme for the next academic year.
3. We were unable to recruit a youth worker last month. Please pray for us as we re-evaluate how we look at advertising for this post again.
4. Please pray for those young people who will be receiving their exam results this month and deciding how best to utilise those results for their next steps forward.
