

Become a trustee for JusB

A brighter future for young people in Bromley

JusB started in 2003 in response to local concerns over young people hanging around on the streets and the recognition that there was no accessible provision to reach out to these disengaged people.

JusB aims to bring about a brighter future for young people in Bromley, primarily for those who are hard to reach, vulnerable or who are facing problems. As young people make the transition from primary school to secondary school, then to further education or work, we are there for them, providing social clubs with advice on making the transition.

Our mission is to inspire and enable young people to develop, be confident and value themselves.

What is a trustee?

Being a trustee is a fulfilling experience. A trustee is someone who provides governance and guidance on behalf of its beneficiaries. They serve on the Management Board of JusB, and are there to ensure the smooth running of the charity and to undertake the strategic planning required.

A trustee must accept responsibility for the direction of JusB, ensuring it is solvent, well-run, and delivers on the projects for which it has been set up.

A trustee is someone from the community, voluntary or statutory sector who wishes to see this charity succeed for the benefit of young people in Bromley town centre and in the North Bromley area.

The Board meets every 4-6 weeks, or as necessary, and mostly on week day evenings, as well as participating in the Trustee Away Day, occasional working group meetings and the Annual General Meeting.

An ideal candidate

- Someone who is committed to seeing JusB succeed no matter what obstacles lie in the way
- Someone who will play an active role in managing the charity, focussing on the strategic direction of JusB
- Someone with patience and a willingness not to give up when things become challenging
- Someone who has experience in any of the following sectors: legal skills, health and safety, HR and young people.

We are seeking volunteers who can bring diversity to the Board and we particularly welcome applications from all ethnic minority groups, people of all genders and especially younger applicants. Applicants should have an awareness of the challenges faced by young people; but the main requirement is to have the empathy and desire to support us as we make a real difference to young people's lives. This role will be subject to an enhanced DBS check.

If you are interested in becoming a trustee we'd love to hear from you. Please contact us for an information pack:
