

Without JusB...

I come with my friends,
Friends to chill with after college.
I come with my friends,
Friends to expand our knowledge.

I come to relax,
Relax and play games.
I come to relax,
Relax and create new aims.

I come to eat,
Eat lots of toast.
I come to eat,
Eat pancakes I love the most.

With a nice atmosphere,
My head becomes clear.
With a nice atmosphere,
I'll make it through the year.

In a house,
A house safe and warm.
In a house,
A house where we perform.

Music surrounds us,
When we get off the school bus.
Music surrounds us,
When we want to swear and cuss.

Without JusB,
We will be lonely.

Without JusB,
We will fade away slowly.

Without JusB,
We will live disappointed.

Without JusB,
We will feel unwanted.

We will always be a
community.
We will always be a family.
