

August 2020

*Please hold the following in your prayers this month.*

1. As we continue with this very different summer please continue to pray for our youth work team as they deliver summer activities every week day during July and August. This has been a challenging time as we deliver outdoor activities in parks with young people while social distancing. Our activities for August include woodland walks, stress and meditation techniques, peer support talks, along with park games and fun. Continue to pray for the workers and for the young people who have really enjoyed it and benefitted from having something to do everyday
2. We do think that we will move back into the building at the beginning of September. Pray for the management team as they develop an action plan to ensure that the building is ready and that staff and young people can remain safe while delivering or enjoying a service.
3. Please pray for those young people who will be receiving their exam results this month. Normally this is a very anxious time but it's even more so this year as all grades will be predicted.
