

July 2020

*Please hold the following in your prayers this month.*

1. During this difficult time we are very aware of the pressures families are under, especially as they are unlikely to have the chance of a summer holiday given continuing restrictions and uncertainty. We have decided at JusB to have an extended summer programme, throughout all of July and August, following social distancing guidelines and trying to support our young people, and their families, during this time. Please pray for us as we try to deliver a much needed provision but also ensure staff and young people are safe.

2. Please continue to pray for all staff and trustees at JusB as we try to provide a service and pave our way forward in these unusual times. Our summer activities will all be outside (and restricted numbers) but as we go forward to September we will need to think about moving activities indoors. Again it's about delivering the provision safely and ensuring that all regulations are followed.
