## Half-term activities at JusB

We had a busy and fun-packed 2 week October half-term programme. We ran music days, poetry, healthy eating, instrumental music jam, tie-dye t-shirt printing arts and crafts, nature afternoon at a local park and a celebration party/disco to finish with music and dancing. We are pleased to announce our JusB design a logo winners. Both logo competition winners received a gift card. Our summer nature photo competition winning entry is shown below and the winner also received a gift card.

**Well done to all our very creative winners!**
