Please hold the following in your prayers this month.

1. Give thanks for our Save JusB campaign. Last month when I was writing prayer requests, we were a long way off our target of £75,000. At the end of May, we have just over £15,000 to raise.
2. Please pray that we can raise the other £15,000 as some money is pledged and will only be donated if we can reach our target.
3. We can now begin to think about planning our summer programme. Pray for the youth work team as they plan a programme that is exciting, educational, and fun.
4. This is exam season so please pray for our young people (and their families) at this very stressful time. Pray for us as a team as we support young people through their anxieties.
4. Please pray for the trustees as they may have to decide the future of JusB if all the money is not raised.
